AdventHealth Advantage Plans is administered by Health First Health Plans. Health First Health Plans is an HMO Plan with a Medicare contract. Enrollment in Health First Health Plans depends on contract renewal. This information is not a complete description of benefits. Call 1-877-535-8278 or TTY/TDD relay 1-800-955-8771 for more information. Benefits at a Glance is not a complete description of benefits. Please refer to EOC for additional information.

†A benefit period begins the day you are admitted to a hospital or skilled nursing facility. The benefit period ends when you have not received hospital or skilled nursing care for 60 days in a row. If you go into the hospital after one benefit period has ended, a new benefit period begins. There is no limit to the number of benefit periods you can have.

***Worldwide urgent/emergency care coverage:** Health First Medicare Advantage Plans cover emergency services and unforeseen urgently needed medical care outside the United States, including when you are on a cruise ship. If you receive covered care from a provider outside the United States that does not participate with Medicare, you may be asked to pay up front for the services and be reimbursed from the plan later. We will pay up to 115% of the Medicare-allowed amount in our service area (Medicare's limiting charge for non-participating providers), less any applicable cost-share. **Please note that Medicare-allowed amounts can be much less than the provider charges you, and you will be responsible for paying the difference.**

** Any Medicare-covered benefit that is covered in-network is also available out-of-network. Please refer to the Evidence of Coverage for out-of-pocket and annual maximum coverage. Facilities may charge different amounts, so your final cost may vary depending on which facility you choose.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for up to seventy-five (75)% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. You may be able to get Extra Help to pay for your prescription drug premiums and costs. To see if you qualify for Extra Help, call:
