

For Medicare Sun saver (HMO) Plan Members

Save money with 90-day prescriptions and free delivery

90-day prescription discounts

As an AdventHealth Advantage Plans' member, you have options to save money on your prescription drugs. Depending on your plan and drug tier, you could save up to 33% when you fill a 90-day prescription at a preferred pharmacy. For Generic Drug Tiers, you only pay for a two-month supply and receive the third month for no extra cost. For other tiers, you may pay for a two-and-a-half-month supply and receive the remaining half-month supply at no cost.*

Simply ask your doctor to phone or fax your 90-day prescription(s) to one of the following: Health First Family Pharmacy; AdventHealth Pharmacy Sebring; AdventHealth Pharmacy at Orlando Medical Plaza; or you can send it in yourself.

The savings apply whether your 90-day prescription is called in or transferred.

** Drugs and tiers that qualify for 90-day savings and participating pharmacies may vary by benefit plan. Use of mail order for 90-day prescriptions maximizes the savings described above. Quantity limitations and prior authorizations may apply. For details, refer to your plan documents.*

Free mail order delivery

Mail order delivery is available within Florida at no extra cost through Health First Family Pharmacy up to a 90-day supply. Simply call to arrange payment.

You need to do this only once—future mail order prescriptions will be automatically billed.

You should receive your order five to seven days after the pharmacy receives your order. If you have not received your delivery within the estimated time frame, you can call the pharmacy directly or contact AdventHealth Advantage Plans Customer Service.
