## Section 1 – Introduction

---

This directory provides a list of AdventHealth Advantage Plans' network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

Regardless of which type of plan you have, AdventHealth Advantage Plans does not require you to select a Primary Care Provider (PCP), but it's still important to establish a relationship with a healthcare provider for your preventive and primary care and to coordinate any specialty care you may need. The term "PCP" will be used throughout this directory.

Many services today are offered by physician assistants, nurse practitioners, or others who are not licensed as physicians. These services are rendered in accordance with Florida regulations, and require the same cost share as you would pay for seeing a physician.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. This directory includes providers with offices in the area near where you live. For a list of other providers in our network, please contact us or visit our website.

AdventHealth Advantage Plans does not require members or their providers to obtain a referral for covering medically necessary services, but some specialists may require referrals from primary care physicians. Also, some services may require prior authorization.

### ***If you receive bills from out-of-network providers that you believe should be paid by AdventHealth Advantage Plans***

If your plan includes point-of-service (POS) benefits, you may see providers out of the network. If a bill is sent directly to you after seeing an out-of-network provider, submit the bill to AdventHealth Advantage Plans for processing and determination of enrollee liability, if any.

AdventHealth Advantage Plans covers certain healthcare services that may be obtained from out-of-network providers. These include:

- Care for a medical emergency

- Urgently needed care
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside the plan's service area. (If possible, please call Customer Service before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.)
- Care that has been approved in advance by AdventHealth Advantage Plans
- Any services which were ordered to be covered through an appeals process

Sometimes an out-of-network provider may ask or require you to pay for any of these covered services. The out-of-network provider has a right to get his/her fees, but does not have a right to get them from you. You should ask them to bill us first. In cases where you have already paid for the covered services, we will reimburse you for our share of the cost. You should never pay any out-of-network provider more than what is allowed by Medicare. If you get a bill asking for payment, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know what, if anything, you must pay.

For questions regarding any of these situations, contact Customer Service toll-free at 1-877-535-8278 weekdays from 8am to 8pm and Saturdays from 8am to noon. From October 1 to March 31, we're available seven days a week from 8am to 8pm. TTY/TDD users should call 1-800-955-8771.

You will also find detailed information in your *Evidence of Coverage*.

### ***Coverage when traveling out of the plan's service area or in an emergency***

If you need care when you are outside the service area, your healthcare coverage is limited. Unless your plan includes POS benefits, the only services we cover when you are outside our service area are:

- Care for a medical emergency, including maintenance care and hospital care after you are stable (known as post-stabilization care)
- Urgently needed care
- Renal dialysis (kidney)

- Care that has been approved in advance by AdventHealth Advantage Plans

For more information about medical emergency and urgently needed care, review the *Evidence of Coverage*. If you question whether a service is covered when you travel, call Customer Service toll-free at 1-877-535-8278 weekdays from 8am to 8pm and Saturdays from 8am to noon. From October 1 to March 31, we're available seven days a week from 8am to 8pm. TTY/TDD users should call 1-800-955-8771.

Unless your plan includes POS benefits, you must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable. If you obtain routine care from out-of-network providers, neither Medicare nor AdventHealth Advantage Plans will be responsible for the costs.

When out of the service area, you can obtain renal dialysis services from any Medicare-certified dialysis facility. (If possible, please call Customer Service before you leave the service area so we can help arrange for you to have maintenance dialysis while you are away.)

If your plan includes POS benefits, with the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.
